4. Foreclosure and part-payment

Foreclosure is allowed after 12 EMIs have been paid, with a charge of up to 4% of the outstanding principal. Part-payments are allowed once a year, up to 25% of the outstanding principal.

5. Disbursement

The approved amount is credited to the applicant's salary account after the loan agreement is signed digitally. Disbursement is usually completed within two working days of approval.

6. Repayment

EMIs are collected by auto-debit (NACH) from the salary account on a fixed date each month. A bounced EMI attracts a charge as per the bank's schedule of charges.
